SnoMos

Hastings Minnesota

Monthly Meetings: October – March 1st Wednesday, Eagles Club, 7:30 pm

McGregor, MN – Feb. 4th & 5th

Plans are now set for the 2011 SnoMos annual Winter trip. It is at the Country Meadows in McGregor, MN February 4th and 5th. Twenty nine rooms were made available to the SnoMos and are filling so make your reservations soon! Final plans for the Saturday evening banquet are still in the works but is sure to top last year's great time. If you have never joined in on the fun, or if you have, you're not going to want to miss this year's trip. Check the website, www.HastingsSnoMos.org for more information.

Youth Safety Training

This season's safety training class is scheduled to be held on this Saturday, December 4, 2010 at the Vermillion City Hall in Vermillion. This class will be based on the new CD format and will be a full house with 75 students.

With this new format students complete the training through a self paced CD reducing the final class to 4 hours of review, with speakers from the DNR and Hastings Police Department. The final written and riding tests will also be given provided there is sufficient snow. If you can help out please meet at 7:30. Good luck to all of those students.

Snows-a-Coming Bowl-a-Thon

The third annual Snows-a-Coming bowl-a-thon was held at Treasure Island's Extreme Bowl on Saturday, November 20th. A great turnout of bowlers made for a grand evening. Jane Schmidt walked away with the traveling trophy this year and will have to return next year to defend her title. Everyone went home with a prize.

Snowmobile Trivia

What engines has Arctic Cat used?

From the Editor:

We've gotten the first snow of the season, however Hastings missed the heaviest part of the storm resulting in lower accumulations but it has peaked some interest in snowmobiling. Registration for the safety training class this weekend jumped with students from all around the area. It's really great to see interest in snowmobiling increase after years of decline because of limited snowfall. Let's hope the snow will continue, to give us a great season right through March. If we have to have the snow and cold it might as well be fun.

I encourage everyone to join in on the fun at the trip this February in McGregor. It is one of the major events of the club and it is always a great time for those who attend with great trails to ride and a banquet to top off the event on Saturday evening with food, prizes and a lot of laughing.

You can always check out the website, www.HastingsSnoMos.org for updated information.

Have a Merry Christmas and safe New Year.

Bryan
