2011 - Vintage Ride

This season's vintage ride is scheduled for February 19, 2011 at the Frandrup Farm with the first ride leaving at 10:30 heading for New Trier. The second ride will leave at 11:00 and head towards Coates. If you haven't attended the Vintage Ride in the past now is your chance to see some of the sleds of yesteryear, join in on a ride, watch some of the kids in the 120 race or just enjoy the company of other snowmobile enthusiasts. This is expected to be the biggest and best Vintage Ride and Show yet. You won't want to miss out.

McGregor, MN – Feb. 4th & 5th

The time is near. The 2011 club trip is only days away and will surely be one of the best. IF history has taught us anything, you will have fun, laughs and probably a couple of cocktails. If you haven't made your plans to join us, there is still time. Contact Scott Dohmen or one of the Board members for assistance.

Election of Officers:

Elections will be held at the February meeting. If you're interested in serving as President, Vice President, Secretary, Treasure, newsletter, or board of directors member please contact Terry Stoudt at 507-263-2270 or Tim Weber at 651-437-4418.

Snowmobile Trivia

What does "1M" stand for?

From the Editor:

This season seems to be flying by. Just over a month from our last meeting of the season, but a couple of the best events are yet to come. In less than a week is the club trip and that for me has always been one of the season highlights. This is the one time we get so many of our members away from home to focus on riding, friends and fun. Two weeks after that is the Vintage Ride which just seems to get bigger and bigger each year as the word spreads. None of these events or any of the other numerous activities we have throughout the season would be possible without the efforts and hard work from the members of the SnoMos making them happen. This is truly a great group of people helping out this sport, helping out our community and helping out each other. Come check it out at the Eagles Club on Wednesday, February 2 to see for yourself. Between now and then hop on that sled and take a ride on the Hastings trails. Just remember to keep it safe. Bryan

Trivia Answer

"1M" is the code name developed at Arctic Cat to represent the number one sled for the mountains. Their 1M chassis, introduced for the 2003 model year, is a reported 35 lbs. lighter than previous models.

REMINDER

All requests for Charitable Donations/Sponsorship must be made to the board prior to their being presented at the club meeting. These requests must be made (or recommended) by a member in good standing (paid) of our club.

200 Club Drawings

Don't forget.....January's meeting will be the big money drawing for the 200 club. There will be 3 drawings. You're not going to want to miss out.

Pot-O-Gold

At each membership meeting, a paid member's name is drawn for the Pot-O-Gold. If the member is present at the meeting, they win the Pot-O-Gold! If that member is absent, the money stays in the pot and increases \$25 each month until the pot is won. At the March meeting, names will be drawn until someone present wins! Make sure to be at the meeting so you are eligible for the drawing.

200 Club Tickets

Have all been sold for the 2010-2011 season. Watch for more tickets this fall. It's a great opportunity to get in on the drawings for big money.
