Winter Finally Arrives

After waiting months for snow to get the snowmobiles out of the mothballs, Mother Nature has finally appeased those doing their snow dance. With two large storms in less than a week it has blanketed the trails with well over a foot of that beautiful white stuff. Unfortunately it came late in the season so it probably won't be around long so get out and enjoy it while you can. Just remember to keep it safe.

Dakota Trails Appreciation Supper

Dakota Trails Association is holding an appreciation supper on April 21st for all trail workers and their significant others at the House of Coates. Please RSVP by April 1st to Jay Frandrup

SNOW! SNOW!

What is that white stuff everywhere? As I write this we are in the middle of this weeks storm. I spoke to Jay yesterday, the groomers have been running all around the county, and this new storm should really help the base. Unfortunately the forecast appears that it might warm and melt next week. So the message is enjoy it - not sure how long it is going to last!

Thank You to everyone who helped with the Vintage Show and Ride, unfortunately we were unable to attend but heard that a good time was had by all, with some interesting sleds showing up! Thanks to the entire Frandrup family for having the event at the farm.

I also understand there was a good showing at the Tanner's Lake Races. I heard everyone had a good time, a couple of members kids enjoyed the racing and maybe even posted a better time than their fathers did!

Lastly I would like to thank everyone who has been so supportive while our nephew Grant has had another set back in his fight against cancer. He is a tough little guy and we all appreciate your thoughts and prayers.

Enjoy the snow now it is finally here! In less than 30 days we have to take the trails out!

Trivia Answer

In 1981 Polaris and Arctic Cat signed a letter of intent whereby Polaris would purchase the snowmobile operations of Arctic Cat. 1983 was set as the introduction of the "PolCats". Of course this never happened as Arctic Cat became Arctco and the deal never went through.

200 CLUB

The tickets are sold and the 200 club is in full swing. Winners are posted weekly on the website. Donna has decided to set the can aside next year and let someone else run the 200 club.

This year's final winner will be picked at the March meeting.

Pot-O-Gold

At each membership meeting, a paid member's name is drawn for the Pot-O-Gold. If the member is present at the meeting, they win the Pot-O-Gold! If that member is absent, the money stays in the pot and increases \$25 each month until the pot is won. At the March meeting, names will be drawn until someone present wins! Make sure to be at the meeting so you are eligible for the drawing

Letter from the Editor

One of the highlights of SnoMos membership is the annual club trip where a good time is always had by all. Unfortunately this years trip was canceled due to a lack of snow and while it was disappointing, it certainly didn't dampen the enthusiasm of this great group of people and is certainly a testament to the spirit of those who live by the phrase "There's always next year".

While the winter season may be coming to an end it certainly isn't an end to the activities of the Hastings SnoMos. Join the fun at this summer's campout and mystery ride as well as other activities. Watch the website for updates.

In the meantime enjoy the beautiful snow before it melts away into spring.

Bryan

If you have any information or news that you would like included in the newsletter, call or e-mail me. Also, please send your e-mail address if it is possible for you to receive your newsletter via e-mail in a Word or PDF format to: newsletter@HastingsSnoMos.org

www.HastingsSnoMos.org

There is a special page for members only; the password is "██████████". This page is for club members to post items that we don't want the world to see. For example: birthdays, anniversaries, new babies, or info on an ill member.

Got something to sell, trade or swap? Looking for that missing part? You can also post a "classified" ad - for free!

Would you like your SnoMos dues PAID for one year?

Would you like a FREE one year TRAIL PASS?

YOU COULD HAVE BOTH!!

Here's how:

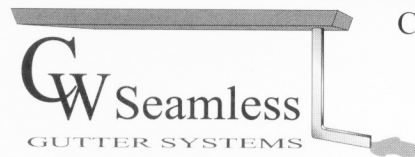

Bring in one NEW paid member and your \$10.00 SnoMos dues will be paid for one year. Bring in two NEW paid members and you will get one year of SnoMos dues paid PLUS you will receive \$16.00 when you present your receipt for a Minnesota Trail Pass!!

Trail Permits

Remember that Minnesota trail permits are required to ride on state or grant-in-aid trails. They can be purchased annually or a 3 year pass can be purchased when you register your snowmobile. The funding is used to help maintain the thousands of miles of trails in the state.

Northland 300.

To the 96 snowmobilers of the 2007 Northland 300, snow or no snow, the event went on. The spirit that goes along with these snowmobile enthusiasts goes far beyond what amount of snow is on the ground. Total raised this year: \$171,211.

THINK SNOW!!

Trails are open through March 2007
Provided we have sufficient snow.

Vintage Run

A big thanks to the Frandrup's for hosting another great Vintage run and show. With the nice weather turn out was great with a large number of vintage sleds to see. While the snow was lacking for the run, there was enough on the freshly groomed trail (thanks Woody) trail to make the vintage run a huge success

Bad Boyz Radar Run

The Hastings SnoMos sponsored the food booth during the drag races at Tanners Lake and raised a little cash for the club. Thanks to Chad Watterud for chairing this event and for the use of your trailer. We're just glad it didn't break through the ice.
