2007 Club Trip

February 23rd, 24th and 25th 2007 at the AmericInn in Virginia, MN. Last years trip was such a success here we're doing it again. Plan on joining in on the fun.

Presidents Corner

When Bryan asked me to put something in the newsletter from the president each month, I thought this would be easy! Now I just have to figure out how to make this be interesting, not just some 'fluff' taking up space!

The Randy Brockman Family, Dan and I recently toured the Polaris factory at Spirit Lake IA. This completed the circle for us as we have been to Roseau & Osceola previously. The Spirit Lake facility is the assembly plant for the Victory Motorcycles, and two lines of ATV production. We had a great tour guide (yes Randy and Dan teased her a bit), learned a lot about how quality control has been computerized, documented and seen some great motorcycles. There was one job there that was particularly interesting, they have a computerized booth where each motorcycle come off the assembly line and is "driven" and tested for 4 miles, Ross thought that might be a good job! No we didn't get any free samples or parts!

Hopefully in the future we will have some new snowmobiling stories to share. Hope that you and your families have a wonderful Thanksgiving!

The fall Highway Clean-up was held on Thursday, October 5th at 6:00 pm. Thanks to all of those that turned out to help

Trivia Answer

The 1984 John Deere Snowfire was the last sled with a free-air engine. Its cousin, the Sprintfire, featured a liquid cooled 340cc Kawasaki engine. Both were direct drive. These were the last sleds with the Deere nameplate.

200 CLUB

The 200 club tickets are now selling so pick them up from Donna Stoudt @ 507-263-2270. Donna has decided to set the can aside next year and let someone else run the 200 club. If you would like to help out, contact Donna or DeDe.

Pot-O-Gold

At each membership meeting, a paid member's name is drawn for the Pot-O-Gold. If the member is present at the meeting, they win the Pot-O-Gold! If that member is absent, the money stays in the pot and increases \$25 each month until the pot is won. At the March meeting, names will be drawn until someone present wins! Make sure to be at the meeting so you are eligible for the drawing

Letter from the Editor

Happy Thanksgiving. Okay, maybe it's a little early to be sitting down to that turkey dinner with all of your friends and family but it's never too early to thank all of those SnoMos members who keep this club operating and those trails open.

Thanksgiving is also the typical time that the trails are setup and we're all ready and waiting for Mother Nature to add her critical piece of this marvelous sport. As the first measurable snowfall signals the opening bell to another, hopefully long, riding season, please remember to keep it safe.
