HASTINGS SAND COULEE TRAIL UPDATE

The south east trail from Hastings to Miesville will remain in its present location. We have been notified by the DNR that the trail will be allowed to cross the Sand Coulee Scientific & Natural Area near the boundaries of the area. The designation has been approved by the DNR and will be signed off by the commissioner of the DNR this month. This is great news for all snowmobilers – Thanks again to DeDe for all her hard work!

Condolences...

The entire SnoMos Family would like to extend their sympathy to the Jay Frandrup family, on the loss of Jay's father, Jerry.

We would also like to note the passing of long-time SnoMos member, Jack Lewis. Jack was one of the original members and co-founders of the SnoMos and great planner of Club Trips to Yellowstone National Park.

We will miss them both.

Letter from the Editor

Well, I got my wish..... We had our first (and second) taste of snow already – What odd weather we've been having. This year the Eagles Club (aka Becky our waitress) is unable to provide snacks for our meetings. We are looking for volunteers to pick up a "snack" to share for the meeting. Costs are reimbursed up to \$50 per meeting. Contact DeDe if you can help out. November is going to be a busy month for the SnoMos – Club Meeting, Bowl-A-Thon, and Sign Making at The Farm. There will also be the Board Meeting, trail marking, and Christmas Party planning– lot's to do and a great chance to get involved! See you on the 4th !!
