In Memory

As many of you already know, our previous vice president, Dan Peterson, passed away this month after his 23 month long battle with cancer. Dan was a wonderful part of the SnoMos family and we are going to miss him deeply. Our condolences to his parents and club members, Jerry and Carmen Peterson and his wife Chris and their children. In memoriam, we have discussed donating something useful to the city or parks.

Hastings SnoMos Fall Weekend Don't complain Camp in the Rain

We had a great time on Saturday Evening even though it was a bit soggy. About 20 club members camped or stopped in at various times over the weekend. Sunday morning breakfast was great! We had the second Annual

SnoMos Olympics, the Schmitt family are the new winners!

Mystery Run!

A special thank you to the Todd Moon family for a great job with the Mystery Run. It was a wonderful sunny day and we all had a great time.

Youth Snowmobile Safety Training

Chris Hogan will once again be leading this seasons Safety training which will be held on December 4th, 11th and the 16th. Check out the website for further information and registration form.

2007 Club Trip

February 23rd, 24th and 25th 2007 at the AmericInn in Virginia, MN. Last years trip was such a success here we're doing it again. Plan on joining in on the fun.

Presidents Corner

From the president: The usual fall anticipation of winter arriving is starting! Leaves are falling, the squirrels are busy and we all have visions of a wonderful winter. Plans are in the works for the Fun Run (weather permitting), Club Trip, a gathering to work on trail signs at the Frandrup Farm, Youth Training, Vintage Ride and Show plus all the other usual winter activities. Any ideas for new activities, fund raising or rides, we always welcome your ideas! Keep your fingers crossed! It could be a wonderful winter!

Letter from the Editor

As we're poised at the start of another snowmobile season, the eternal optimists are once again making preparations for another snowy?? winter. As one of these optimists, I too am hoping for that elusive white powder that coats our road and fields so that we can enjoy this wonderful winter past time.

It takes a lot of work to setup and maintain the trails throughout our area during the season and while we have great folks pitching in we can always use more.

If you enjoy using the trails, join us at the next meeting and see how you can help out too.

**Have a business you would like to
advertise here?**

Let one of the SnoMos Officers know.

THINK SNOW!!

Trails will open December 1, 2006

Provided we have sufficient snow.
