SnoMos

Monthly Meetings: October – March 1st Wednesday, Eagles Club, 7:30 pm

Thank You

As we approach the start of another snowmobile season, a special thank you should go to all of those who spend countless hours working on different activities and functions to help make the snowmobile season, in and around the Hastings, area a success. Even with the limited snow in recent years this group continues to provide a valuable service to this community through contributions, safety training and.

You want to know who all of these individuals are? Join us at one of the monthly meetings and see for yourself. They're there every month eager to help.

Letter from the Editor

Are you ready for snowmobiling? I know that I am. My sleds are out of storage, they're tuned and gassed all that's left is to get the snow. Every year at this time I patiently wait for the snow to arrive hoping that last years deficits will be wiped out with early season snowfalls. But even if it doesn't come for another season, I'm thankful to be a part of this great group of people involved with the SnoMos and the great things they do for this community. As long as there is snow snowmobiling will be a part of the Hastings area and I'm glad to know that all of these young riders are educated to be smart and courteous riders.

Have a great Thanksgiving Holiday.
