Trivia Answer

In 1996 Ski-Doo introduces the SC-10 rear suspension which means "Super Comfort, ten inches of travel." 1997 saw 5 different versions of the SC-10. It has progressed through the SC2, SC3, and for 2005, the SC4.

200 CLUB

The 200 club tickets will be sold starting with the October meeting. New Format. Dec., Jan. & Feb. will have 3 payouts of \$50 & 1 @ \$250. March meeting will have 3 @ \$100 and 1 @ \$500.

Pot-O-Gold

At each membership meeting, a paid member's name is drawn for the Pot-O-Gold. If the member is present at the meeting, they win the Pot-O-Gold! If that member is absent, the money stays in the pot and increases \$25 each month until the pot is won. At the March meeting, names will be drawn until someone present wins! Make sure to be at the meeting so you are eligible for the drawing.

200 Club Change

A change to the 200 Club for the 2008-2009 season is brewing and could bring a monetary bonus to the seller of tickets drawn at each of the regular SnoMos meetings. But of course you will need to be present to win. Details are still being developed so stay tuned and get ready to sell those tickets. The more you sell the better your odds of winning.

Letter from the Editor

This past summer season has been a rather eye opening experience for me. My son and I spent a week in the New Orleans area helping reconstruct some of the homes damaged in hurricane Katrina over two years ago. Seeing some of the devastation first hand certainly gives you a different appreciation for some of the things we may take for granted every day and the rich natural beauty that God has provided here in the upper Midwest. Snowmobiling gives us another way of experiencing this beauty that otherwise may not be possible. Organizations like the SnoMos help protect this right by working with land owners in establishing trails and educating the community to help make it safe. Let's make this new season a safe one and certainly one to be thankful for the opportunities we still have available. **Bryan**

Would you like your SnoMos dues PAID for one year?

Would you like a FREE one year TRAIL PASS?

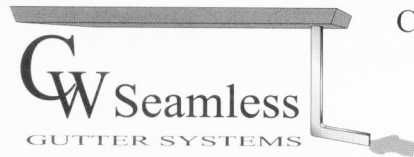

YOU COULD HAVE BOTH!!

Here's how:

Bring in one NEW paid member and your \$10.00 SnoMos dues will be paid for one year. Bring in two NEW paid members and you will get one year of SnoMos dues paid PLUS you will receive \$16.00 when you present your receipt for a Minnesota Trail Pass!!

Did You Know....

- Earth is not round; it is slightly pear-shaped. The North Pole radius is 44mm longer than the South Pole radius.
- The first cola-flavored beverage was introduced in 1881.
- Earth is slowing down - in a few million years there won't be a leap year.
