Hastings SnoMos Fall Weekend Great Weather For A Great Time

The 2007 Fall Weekend will definitely go down as one of the best.

We had a great time on Saturday Evening as we celebrated a trip back in time to Gilligan's Island. Even without Gilligan and Ginger everyone made it back off of the island. The Annual SnoMos Olympic

Trophy was once again won by the Moon family!

Mystery Run!

A special thank you to the Todd Moon family for a great job with the Mystery Run. It was a great river ride adventure but then what else would you expect for a river town? ☺

Trivia

How many miles of snowmobile trails in Minnesota?

Presidents Corner

Land Owners Appreciation

Over 120 gift certificates for Greg's Meats were redeemed this year! This is a great way to say "Thanks" all our Land Owners, for allowing us to cross their land with the trails.

2008 Club Trip

Stay tuned for details on this winters club trip. After last years cancellation due to NO SNOW, we are due for a great time with a plenty of snow and fun.

Happy September!

Hard to believe that summer is gone, the first day of fall is here and winter is around the corner. I hope everyone had a great summer! The fall campout and mystery ride are this coming weekend! It's always good to see our SnoMos's family at these functions. We have a few other club functions coming up soon, adopt a highway clean up, meetings, MNUSA fall workshop and of course selling the 200 Club Tickets. The 200 Club has been revamped this year, we have changed up the dollar distribution and will start the first drawing in September to give us more time to sell the tickets! We were fairly successful with the HayDays Raffle tickets we sold about 550 tickets. The winners are not listed on the HayDay's web site so if you know anyone who won, let us know.

Hope to see you all at the first meeting!

If that member is absent, the money stays in the pot and increases \$25 each month until the pot is won. At the March meeting, names will be drawn until someone present wins! Make sure to be at the meeting so you are eligible for the drawing

HayDays Raffle Tickets

SnoMos Club members sold over 560 raffle tickets. The Club receives 85 cents back (less postage cost) for each ticket sold. What an easy way for the Club to make money! As of today, we haven't heard who won the sleds.

Letter from the Editor

Here we are again poised at the beginning of another snowmobile season. It is of course with great optimism that I'm convinced that we'll have a lot of snow this year. That and the fact that since I bought my sleds in the fall of 1998 the snow fall as been minimal nearly every year since so the odds have to be there don't they? When I was younger it seemed as though the snow never stopped coming down but maybe that had more to do with the fact that I had to walk to school dredging through it and then shovel it when I got home. With so many family activities available the SnoMos are much more than just riding but of course sufficient snow and safe riding are certainly crucial for this season. Join us and see for yourself. See you at the meeting in October.
